

NET CONTENTS: 3-PIECE BAMBOO CUTTING BOARD

USE AND CARE INSTRUCTIONS:

This item was manufactured from BAMBOO, an extremely strong natural material. It is the fastest growing woody plant in the world. Unlike hardwoods, Bamboo is a type of grass which is a renewable resource. It is harder and lighter than Maple and has a natural and beautiful finish. To keep your Bamboo item looking new, please follow these use and care instructions.

- Never place your Bamboo item in a dishwasher
- After use, hand wash with warm soapy water, rinse and wipe dry immediately with a clean cloth. Never use scouring pads, abrasive cleansers, harsh detergents, bleach, vinyl solvents, or substances containing aromatic hydrocarbons to clean.
- Do not submerge or soak in water.
- Never place hot cooking utensils on your Bamboo
- Store in a cool dry area. Avoid exposure to excessive heat or extreme dampness. Excessive dryness or humidity can cause cracking.
- For optimal use and to preserve the finish of your Bamboo, we recommend applying a Food grade Mineral Oil daily for one week prior to first use, thereafter, apply once a month.
